- d. Questionable or misleading copy and financial advertising promising large returns will not be accepted.
- e. Alcoholic beverage advertising not accepted.
- f. Not responsible for inaccurate key numbers when type is stripped in.
- g. Orders must indicate definite amount of space and give all color details.
- h. Orders which contain incorrect rates or conditions will be inserted and charged for at regular schedule of rates. Such errors will be regarded only as clerical.
- i. Rates subject to advance without notice. Orders beyond three months accepted at rates then prevailing.
- j. all advertising payable in U.S. dollars.
- k. References required of all new advertisers.
- l. Publisher reserves the right to hold advertiser and/or agency jointly and severally liable for such monies as are due and payable to the publisher.

## 4. MARKET

- a. HOARD'S DAIRYMAN is edited to inform and educate the American dairy farmer. Its editorial material is focused on commercial dairymen who produce and sell milk. Emphasis in every issue is placed on feeding, breeding and animal health, as well as general dairy farm management techniques. Attention is also given to farm equipment, crops, facilities, milk quality and governmental activity. Contributing authors include research workers from agricultural colleges, veterinarians, dairy farmers and specialists in subjects relating to dairying.
